1. **APPROVAL OF MINUTES** - Meeting of April 3, 2003
2. **REVIEW AND DISCUSSION OF REVISED DRAFT VISION STATEMENT**
Per prior Steering Committee direction, staff has reviewed and revised the initial draft Vision Statement to remove redundancies, improve flow, and reflect a consistent style. Staff will present the document, and the Committee should provide any further desired changes to finalize the Vision.
3. **CONTINUED REVIEW OF DRAFT GOALS**
Per input received from Committee members both at, and subsequent to the last meeting, staff has prepared revisions to the Draft Goals Worktable. Staff will review the edits made through Goal Section C, and will facilitate discussion of Goal Sections D through G which were not covered at the last meeting. The Committee should review and refine the proposed goals. Staff will then prepare a finalized Vision and Goals Report that will be presented to the Planning Commission and City Council.
4. **CONTINUED REVIEW OF PROCESS FOR DEVELOPING PRELIMINARY LAND USE & TRANSPORTATION ALTERNATIVES**
The next step in the overall General Plan process is to develop preliminary land use & transportation alternatives based on the Vision & Goals, and other issues and inputs. Staff will review the work program for preparing these alternatives between now and the Town Hall meeting set for June 21. The program includes two half-day workshops for the Steering Committee in May. The Committee should provide any input and direction.
5. **DISCUSSION OF UPCOMING MEETING DATES AND TIMES**
Given the number of topics and amount of material to be covered in meetings over the next several months, staff would like to review the proposed meeting dates, and discuss whether Committee members may be willing to meet for up to 3 hours per meeting, and/or whether to change the number of meetings.
